DENVER DOINGS.

DENVER, April 13.—At Lake City this morning the jury in the case of Alfred G. Parker, charged with murder-ing five companions in the San Juau country, in 1872, returned a verdict of guilty. A motion was made for a new trial on the grounds that the murder \$300 will buy two small houses with lot. Nice fection. Fart payment, balance on time. This is very cheap.

Pueblo, at 1:30 this morning. The building was unoccupied, and the fire was the work of incendiary. The fire communicated to a two story frame ad-

At 7 o'clock yesterday morning, at Fort Lyon, Colorado, Sergeant Joseph Lyon shot and mortally wounded Private John Howard. Both are colored and belonged to a company of the Ninth.

bullion was not stacked securely, but kept on work. Suddenly twenty bars toppled over, crushing him to the earth face downwards. He was terribly injured and cannot possibly recover.

A Canon City special says: It is reported that oil has been struck at the tepth of 500 feet in a test well now closely by detectives, walked leisurely eing sunk eight miles east on the Arkansas river. The company sinking the test well have shut down, and are leasing all the adjacent property. It is said they have already secured 10,000 acres. The wildest excitement prevails in con-

Indian Fight.

SAN FRANCISCO, April 13.—A Tombstone dispatch says: Reliable news reached town today that a desperate fight occurred last Sunday in the Swishelm mountains about forty miles distant, between eight hostile Indians and two Americans. The latter killed two Apaches and wounded several more, while one prospector received a severe flesh wound in the left shoulder. The Indians are armed with government rifles and were undoubtedly San Car-

Shoplifters.

DENVER, April 13.—From develop-ments in the last few days it is believed that one of the most notorious shoplifters in the country has made her appearance in Denver and even now is robbing the various stores by wholesale take them to Lexington. The conductor and with impunity. She has victimized started the train, having first telenearly all of the large dry goods houses. And in every instance she escaped officers arrested the tramps. without leaving a single clue as to her identity. The detectives have arrived at the conclusion that a professional is working Denver. And many are of the opinion that it is no less a personage than the notorious Mollie Holbrook, yards of three-dollar silk, Daniels & Fisher two bolts of silk, McNamara &

Railroad Schemes. Sr. Louis, April 13 .- A dispatch from Brownsville, Texas, says: The various conflicting interests there incluning the Paimer, Sullivan people, the ferry and town company have harmonized and entered into an arrangement with the Mexican National construction Company to build an extension to the Denver and Rio Grande Railroad through the Brownsville construction ferry lodgings on the river. They will lay track on the river and lay track to the Matamoras Custom House and sta-tion of the Matamoras and Gentry. The railroad also provides proper boats for transferring cars across the river. These improvements will furnish all facilities necessary for handling freight from point Isabella, and laying it down at the terminus of the Railroad and Monterey city. Brownsyille given the right of way and a large tract of land to Matameras and Monterey.

MILWAUKEE. April 13.—A sensation was caused at the Scheller trial this morning by the testimony of Lenehan, chief engineer in the Newhall house at the time of the fire, who said he was recently approached by J. C. McKinner. attorney for Scheller, and a saloonkeeper named Adam Roth, who asked him to swear that the fire was caused

Invitations were extended to prominent

—AND——

A Dead Elephant.

NEW YORK, April 13.—Pilot, Bar-num's great elephant, has been shot. It will be remembered that he recently ill-treated the other animals. He since became mad, and endangered the whole menagerie. To-night it was decided to kill him. The keepers took Springs property. City and Hot no time. They procured new ropes two mehes and a half in thickness. They bound the forefeet tightly and the hind feet. Stout ropes were attached to either, and ran through blocks fastened to the building at opposite extremities. Then forty men laid hold of the lines and tugged with a will till the great brute's legs were dragged from under him, and he sank upon his belly. He still struggled savagely. A couple of men who ventured within reach were tossed over like ninepins, CHICAGO, April 13.—Late this after-noon three constables went to the the amphitheater floor, Next a rope southwestern part of the city to arrest was fastened to his foot and drawn over Maritz Stadelman, a saleon keeper, for attempting to kill his wife. Stademan block, the keeper dragged him over on made 2 desperate resistance; he shot his sides. Then they began discipling him with hooppoles, but their work was the constables named Mooney, slightly wounded a second, and narrowly missed the third. He was subsequently arrested and locked up.

him with hooppoles, but their work was of no avail. So Arstingstall, the elephant trainer, decided that it was no use trying to subject the brute. In spite of his costing \$10,000 he would have to be killed, as that alone would insure the killed, as the specific of these shout him Mr. the safety of those about him. Mr. Arstingstall got a big navy revolver, and five bullets driven into the animal's heart put an end to Pilot. Word was sent to the proprietors of the show, and then to the Society for the Prevention of Cruelty to Animals. This evening repesentatives from the latter and the zoological department of Central Park gathered at 'the elephants' quarters, and under the direction of Dr. Leonard the great brute was quartered, and his remains sent to Barren Island.

Mysteries and Miseries of Ameri-ca's Great Cities.

A book bearing the above title has recently been issued by the Historical Publishing company of St. Louis, and Poisoned by Strychnine.

Little Rock, April 13.—A Gazette special from Dermott says that yesterday morning six colored children living scandals and intrigues in Washington, by a gas jet at the bottom of the elevator shaft, as said testimony would clear the accused. It was shown that Scheller's debts were over \$4,000, and proved that he attempted to borrow \$500 from Mr. Creeker before the fire.

They cooked them and put in strychnine for seasoning. They all partook of the mixture, Three died and the others are understood to be dying.

They cooked them and put in strychnine for seasoning. They all partook of the mixture, Three died and the others are understood to be dying.

They cooked them and put in strychnine for seasoning. They all partook of the mixture, Three died and the other strychnine for seasoning. They all partook of the infamous Endowment rites. It also gives a full history of Voudouism in the south, with many amusing sketchers of Negro life before and after the war, and its terrible exposures of the shocking practices of Mormonism, including a complete revelation of the secrets of the shocking practices of Mormonism, including a complete revelation of the secrets of the shocking practices of Mormonism, including a complete revelation of the secrets of the shocking practices of Mormonism, including a complete revelation of the secrets of the shocking practices of Mormonism, including a complete revelation of the secrets of the shocking practices of Mormonism, including a complete revelation of the secrets of the shocking practices of Mormonism, including a complete revelation of the secrets of the shocking practices of Mormonism, including a complete revelation of the secrets of the shocking practices of Mormonism, including a complete revelation of the secrets of the shocking practices of Mormonism, including a complete revelation of the secrets of the shocking practices of Mormonism, including a complete revelation of the secrets of the shocking practices of Mormonism, including a complete revelation of the secrets of the shocking practices of the shocking practices of the shocking practices of Mormonism, including a complete reversion of the secrets of the shocking VV work.
